[Harland & Wolff Ltd., Belfast & Glasgow](#)

Harland and Wolff was formed in 1861 by Edward James Harland and Hamburg-born Gustav Wilhelm Wolff. Based in Belfast at Queen's Island, Harland and Wolff are a huge and very important shipbuilding company. The shipbuilding complex is only one of two yards left in the U.K. capable of building large merchant ships. The yard was most well known for building high-class transatlantic passenger liners and was considered to be the best in the world. The company has built over 1700 ships at four yards and has been in operation for over 135 years.
