About Owners

[TSC - The Shipping Controller \(WWI\), London](#)

The position of Controller-General of Merchant Shipbuilding was created for Lord Pirrie at a time when merchant shipbuilding in the United Kingdom was in a very nsatisfactory state and a stimulus to increased production was urgently needed.

He went to the Admiralty without any staff, and, as a war measure, a large number of standard carg...

About Builders

 [Laing James & Sons Ltd. \(Sir James Laing & Sons\), Sunderland](#)

Philip Laing started his own yard in 1818 at Deptford. In 1844 James Laing took control of the Deptford yard. In 1849 Philip Laing, James Laing's son, joined the family firm. In 1853 James Laing was the first Wear shipbuilder to build an iron steam ship. James Laing Junior joined the family firm. By 1865 the Laing family were shipowners as well ...
